

LOW LEVEL CROSSING

For the people of Kg Kaiduan, Papar, the 50-year-wait for a low level crossing to enable vehicles to cross a shallow stretch of the Papar River to reach the village from the road will soon be a thing of the past (pic). It is now 70pc completed, thanks to the contribution of Syarikat Perintis Jati Sdn Bhd.

Member of Parliament for Papar, Datuk Rosnah Abdul Rashid Shirlin, commended Kg Kaiduan Village Security & Development Committee (JKKK) Chairman, Michael F.J. Sulip, for his initiative in this regard.

“When the two concrete gabion bridges are completed, the facility will benefit the rural folks in Kg Kaiduan and neighbouring Kg Bisuang. And this will in turn facilitate communication to reach other remote villages like Kg Mondikot and Kg Moliuon,” she said. – **Reporter Mary Chin**
