EAST WEST ONE PLANTER'S SCHEME PERFORMANCE SINCE LAUNCH

Commentary for total blocks sold

Since launch up to 26th March 2015, over 97% of the Scheme available for public subscription has been sold. From our records, most investments are recurring investment by our existing investors.

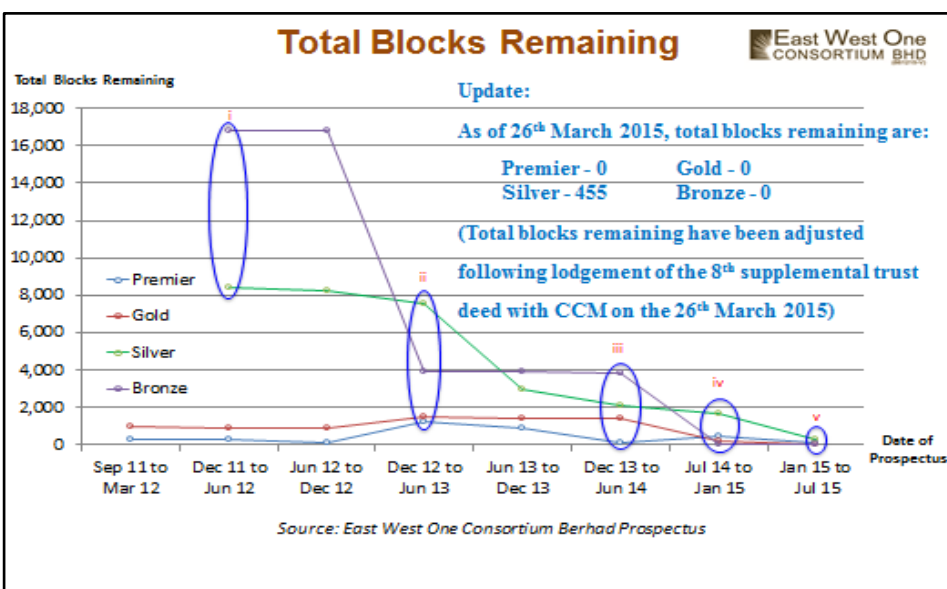

As at the latest Prospectus dated 16th January 2015, 2,845 Premier Blocks, 176 Gold Blocks, 3,280 Silver Blocks and 173 Bronze Blocks have been sold.

Commentary for total acres planted

Land development and planting are ahead of schedule due to favourable weather conditions and availability of workers.

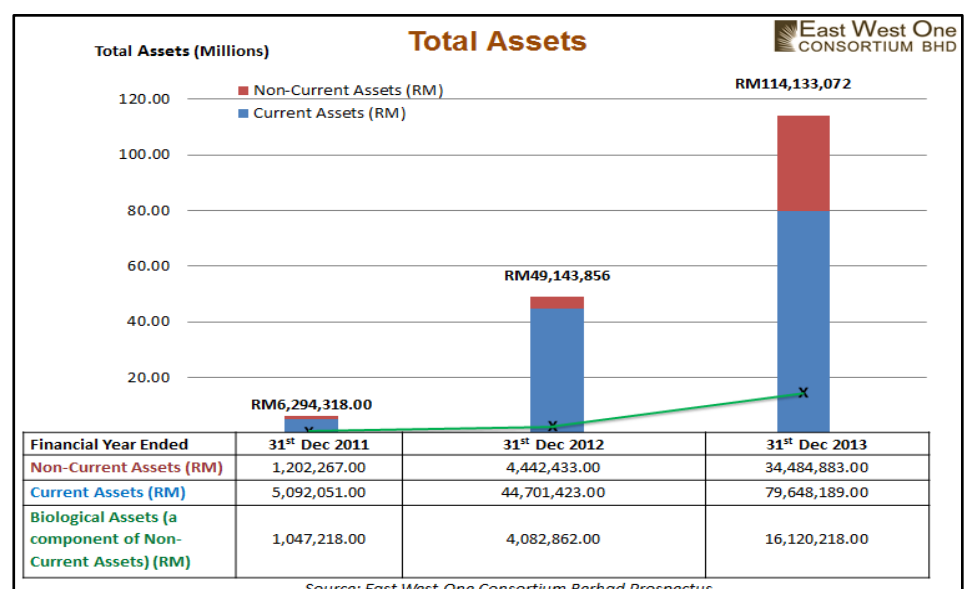

As at the latest Prospectus dated 16th January 2015, 7,500 acres of land have been developed/planted.

Commentary for total blocks remaining

There were 5 reclassifications since inception of EWOPS up to the latest Prospectus dated 16th January 2015. These reclassifications were key in meeting the changing demands of Planter's Blocks by our investors.

As at the latest Prospectus dated 16th January 2015, there are 133 Premier and 239 Silver Blocks available for public subscription. Gold and Bronze Blocks available for public subscription are fully sold.

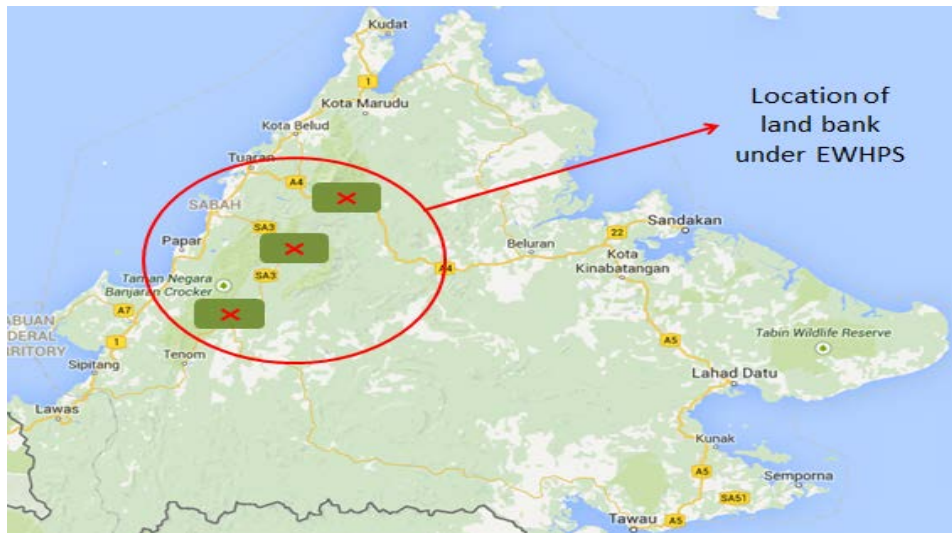

Commentary for total assets

Total assets of EWOCB have shown significant increase since 2011. Total assets increased by 681% and 132% from 2011 to 2012 and from 2012 and 2013 respectively. This represents an overall increase of 17 times in total assets just after 2 years since its launch in end 2011.

As for biological assets, an important component of non-current assets, it increased by 14 times just after 2 years since development commenced in end 2011.

PROSPERITY AWAITS IN THE HORIZON...
INTRODUCING EAST WEST HORIZON PLANTER'S SCHEME

We are pleased to introduce EWHPS, another attractive investment scheme offered by EWOG. EWHPB, a member of EWOG, is the Management Company of EWHPS. Sales of EWHPS commenced on 26th February 2015 and it offers high-networth investors a safe and secure fixed term alternative investment in the form of Planter's Blocks with high rate of returns. With the introduction of EWHPS, EWOG solidifies its position as the leading and largest operator and manager of oil palm investment scheme in Malaysia with combined land bank of close to 30,000 acres in Sabah.

Land profile

EWHPS consist of 11,670 acres of land bank located in Sabah. Sabah offers various favourable agronomic factors in particular, good soil and suitable weather (both rainfall and sunshine) for oil palm cultivation.
